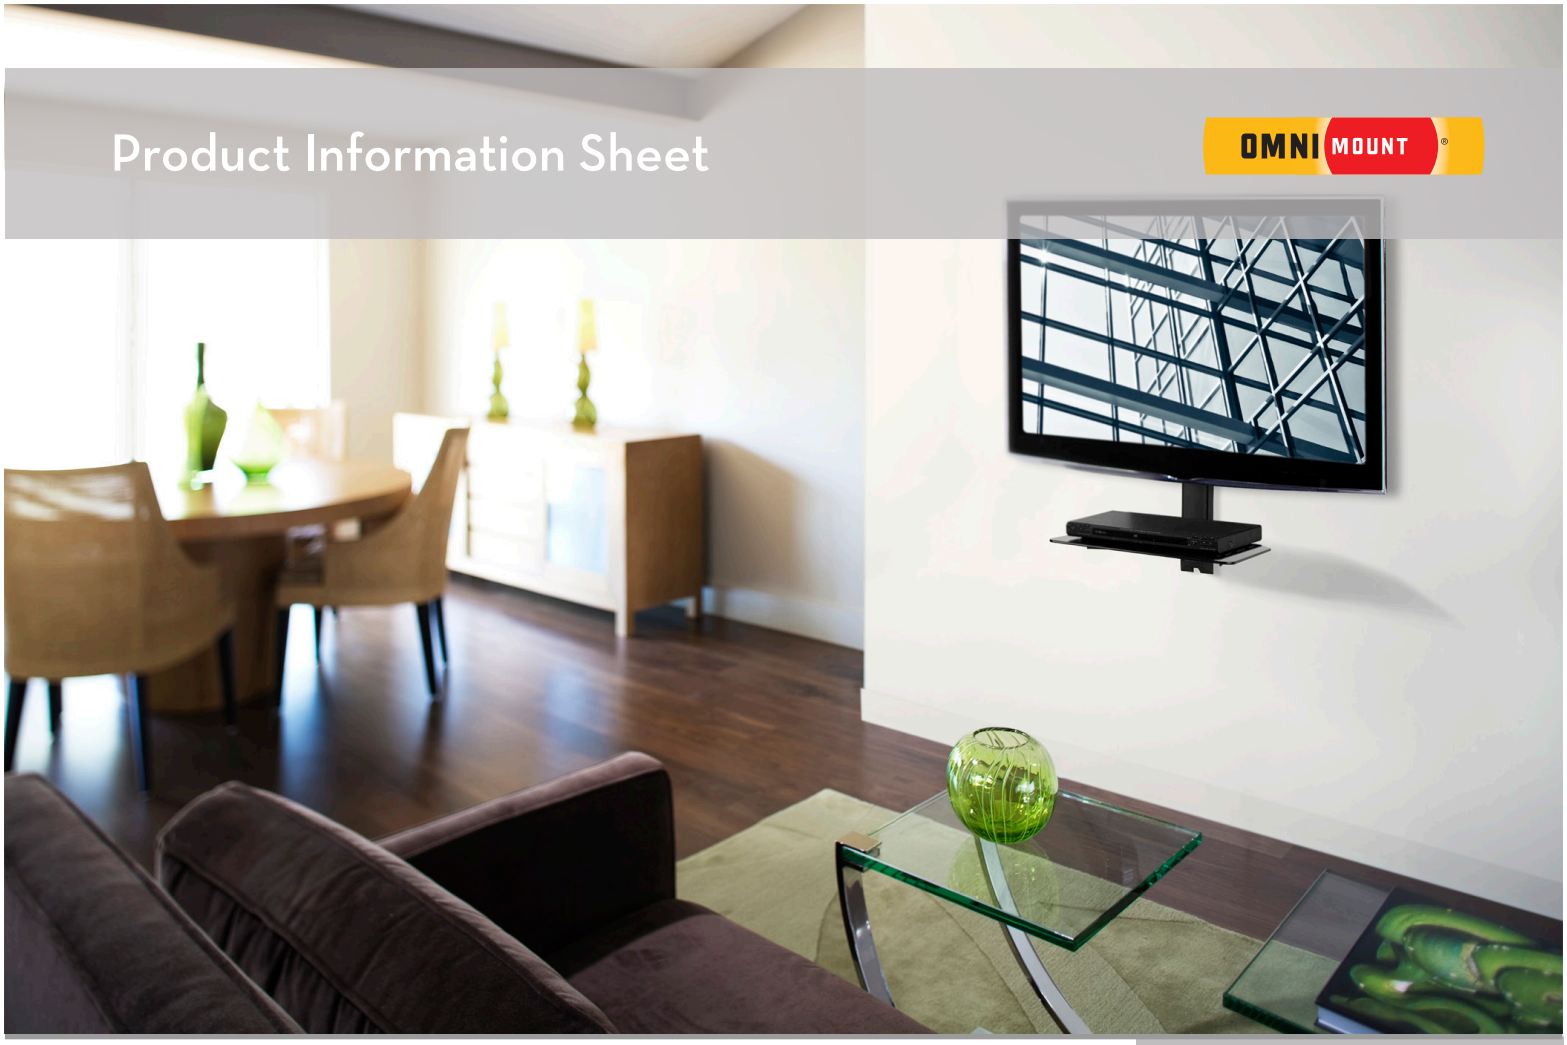
Product Information Sheet



Mod1

OmniMount, an innovator of A/V mounts and furniture for more than a quarter century, is the choice of professional installers and the brand most recommended by TV manufacturers. OmniMount AV Wall Shelves offer a fresh approach to managing cables and components. The Mod1 is a low-profile AV wall shelf that can be used alone or stacked with additional pieces to organize components right under your TV.

The Mod1's stackable design allows for the addition of multiple pieces to accommodate multiple components.

BENEFITS

- Ideal for placing components like DVD players, cable boxes, video game consoles and more, near the TV
- Stackable with additional Mod1s to create a multiple shelf solution
- Shelf can be adjusted to three different heights
- Engineered from extruded aluminum with an anodized finish to complement newer TVs
- Integrated cable management hides wires
- Refined construction and components for smaller packaging
- Easy to install
- Includes complete hardware kit

SPECIFICATIONS

- Shelf supports up to 30 lbs (13.6 kg)
- Mounting profile: 0.94" (24mm)
- Mounting: Single-stud
- Warranty: 5 years
- Dimensions: 17.5"w x 13.7"h x 13.4"d (445mm x 348mm x 341mm)
- Available in Black with black glass
